

## Board of Directors Contributions & Expectations

Family Futures board members identified four key areas of focus for individual and collective board contributions to Family Futures. Please provide information below on how you plan to contribute in each area over the next year.

Key Area of Focus	Examples	Individual Contributions
<b>Align</b> efforts against the strategic framework to ensure advancement of Family Futures' work and progress to achieve its mission and vision	Use strategic framework to drive decisions during meetings	
<b>Engage</b> in fully understanding Family Futures' programs and services	Attend a scheduled training or "adopt" a program	
<b>Advocate</b> to increase awareness, understanding and support for Family Future in the community and in key networks	Leverage your networks or apply your skills to support a current project	
<b>Develop</b> donors and other sources of financial funding to ensure Family Futures' work is supported	Connect Family Futures with potential donors/sponsors or help appreciate existing donors	

**Additional annual board expectations:** Attend Service to Children Awards, support End of Year Appeal, attend available trainings (optional), attend community events (optional)
